LABOUR AND EMPLOYMENT DEPARTMENT

The 18th April, 1967

No. 2772-3-Lab-67/8426.—In pursuance of the provisions of Section 17 of the Industrial Disputes Act, 1947 (Act No. XIV of 1947), the Governor of Haryana is pleased to publish the following award of the Presiding Officer, Industrial Tribunal, Haryana, Chandigarh, in respect of the dispute between the workmen and management of M/s Faridabad Steel Industries, Railway Road, Faridabad.

BEFORE SHRI K.L. GOSAIN, PRESIDING OFFICER, INDUSTRIAL TRIBUNAL,
HARYANA, CHANDIGARH

Reference No. 31 of 1967

between

THE WORKMEN AND THE MANAGEMENT OF M/S FARIDABAD STEEL
INDUSTRIES, RAILWAY ROAD, FARIDABAD

Present :—

Shri R.C. Sharma for the management.

Shri Roshan Lal for the workmen.

AWARD

The workmen employed in M/s Faridabad Steel Industries, Railway Road, Faridabad, sent a demand notice to the management of the concern on 17th October, 1966, in which they made three demands. Demand No. 1 in the said notice reads as under :—

“That bonus be provided to all the workers for the years 1964-65 and 1965-66 equal to four months wages of each year because you have earned huge profits during the said years”.

Presumably the matter then went to the Conciliation Officer and no conciliation could be made. By their notification No. 108-SF-III-Lab-66/1936, dated 21st January, 1967, the Haryana Government referred the dispute to this Tribunal under Clause (c) of sub-section 1 of Section 10 of the Industrial Disputes Act, 1947. In the reference, the item of dispute is mentioned as under :—

“Whether the workers are entitled to the bonus for the year 1965-66 at the rate higher than that admissible under the Payment of Bonus Act ? If so, with what details and from what date ?”

On receipt of the reference usual notices were issued to the parties by which the workmen were called upon to file a detailed statement of claims and the management was called upon to file their detailed written statement to the same. The workmen did not file any statement of claims in this Tribunal but Shri Roshan Lal, President of the General Labour Union, Faridabad, at whose instance the reference was made appeared before me on 27th March, 1967 and made the following statement :—

“It is not the case of the workmen that bonus be paid to them at a rate higher than that which is admissible under the payment of Bonus Act. The workmen wish to get bonus at the rate provided by the Bonus Act but the exact amount of bonus has to be arrived at. The management have paid bonus at the rate of 4 per cent. Workmen want to have more bonus and the profit of the concern justify the said demand of the workmen”.

From the above statement it is clear that the workmen do not claim to get bonus at a rate higher than provided by the Payment of Bonus Act, 1965. In the present reference I cannot go into the question whether the workmen are entitled to any higher amount of bonus under the Act itself as I shall then be travelling beyond the reference which is limited to the point whether the workmen are entitled to bonus at rates higher than those prescribed by the Act. The demand as given in the reference must, therefore, be dismissed. The workmen will of course be entitled to ask for a proper reference of their dispute and I have no doubt that if they are able to satisfy the Government that the dispute as raised by them has not been referred, the Government will take steps to make a proper reference of the dispute. No order as to cost.

Presiding Officer,
Industrial Tribunal, Haryana,
